Ray and Kim Boltz Missionaries in Guyana, South America Church Planting Children's Home Ministry

Hello to you,

We are thrilled to inform you of what is happening here in Guyana, South America. God is so good! Our cups overflow with thankfulness and joy for the work He has called us to do. Our church is growing by leaps and bounds and the people are becoming very close and unified. We are seeing a strong church family developing. Visitors come to almost every service; people are getting saved both at church and out soul-winning, and following the Lord in believers baptism. People are continuing to step up to serve the Lord in many capacities. In fact 4 of our men have surrendered to be Pastors and are training to do so in our Bible Institute Student Center through Salt Lake Baptist College Online. We have ordained two of them to be our Associate Pastors; Bro Rovin and Bro Andy. In addition to them, we have 24 that help out on a weekly basis now. Praise the Lord! We are getting ready to begin the preparations for our Christmas program. Its hard to believe it is that time of year again. Everyone is so excited to get practice started! We are overflowing with joy!

Remember Chris? Well he is now an official part of our family. The Lord is really working in his life! He asked us to adopt him and to keep him in our family. He has lived with us enough over the years for the government to allow this so we walked through all the tedious steps to get it accomplished. God opened every door wide open till it was finished! We and Chris have no doubt that God wants him to be a part of our family and ministry! His name is now Christopher Jagdeo Boltz and he wants to be called CJ Boltz. He helps in all areas of our ministry and surrendered to the call to be a Pastor. He leads a teen boys Bible study every Thursday evening which is going very well. He is finished with high school and asked to be enrolled in our Bible Institute and he has begun his college education.

We held a 3- day Leadership Conference that brought on average 100 to every service. The high was 125. This was to teach the people of their leadership in the home, work place etc. Many lives seemed to be touched, and the altars were full each night. And since, we have noticed more growth in the people. It blesses our hearts to see them soak up all the messages like a sponge and grow from week to week!

Childrens Home News: We have a single mother of 5 children who would like to place her children with us. She is very poverty stricken and struggling to survive. She attempted suicide in hopes to force her children to be placed into a public orphanage where they will do better. That plan failed. Praise the Lord, and now God brought our paths together out soul winning. She along with 3 of her children got saved. We are counseling with her to be able to keep the children in her care, but the possibility is great that we may take 4 of the 5 children into our Home sometime soon. This may be the best help that this family so desperately needs. Please keep this in prayer with us! We could easily go get many children to be in our Home, but we only want the children the Lord sends our way on His own. Then we know it is God sent! It seems this might be such a case.

****Don't forget to look at your calendar and plan an individual or a church wide mission trip to Guyana. Whatever your gifts and talents are, God can use them to help in our Ministry somewhere! If interested please contact us asap!**

Prayer Requests and Praises

PRAYER REQUESTS: ** For continued church growth, both numerically and spiritually. ** For the tithes to pick up amongst our church folk. We would like to start our 2nd church at the end of next year, and the only thing we are waiting for is for this church to stand on its own in finances. **Funding for another container to be shipped that we have of Bibles, Tracts, and Church Supplies and some personal things. **For continued good health, strength, provision and wisdom.

PRAISES: **As always we are very thankful for everyone who supports us to be here. We enjoy what God is having us to do for Him. It is so rewarding! And this all goes to your account as well! **For all the families God is bringing to our church, and the men rising up to be leaders, and for the ladies assisting to serve wherever needed! This is answers to all your prayers!

We pray Gods hand of extra blessings upon you! He has been so good to us, our family and our ministry and we know that has everything to do with your prayers for us! Please know that we love you and are praying for you too! God bless you as you serve Him wherever you are called to be!
