Greetings to you dear Brothers and Sisters in the Lord,

God is good! We have seen remarkable things of the Lord working in our midst here in the ministry in Guyana: thanks to all your prayers and support! I am reminded of the verse "For we are labourers together with God..." 1 Corinthians 3:9a. Our prayer requests of recent newsletters are being answered! We are seeing tremendous church growth in numbers AND spiritually. More and more Dads are starting to come with their wives and children. They are getting saved, baptized and beginning to serve in many capacities. We have been training Sunday School teachers and Junior Church workers. Ladies have been stepping up to lead in some devotions in the Ladies of Faith Bible Study. People are staying longer to fellowship and we see unity amongst our church family developing stronger and stronger all the time. We praise the Lord!

I apologize for not getting our newsletter out just after June. July quickly came upon us with all the finalizations of camp and our first VBS and the training of our people a new thing. We had many who stepped up to serve in Camp and VBS with us...what a joy! And they all did great!

In May we had our very first Missions Conference. It turned out great and we voted to take on another missionary. Last fall I introduced Missions to them and they wanted to pick one up right then, so we did. The giving was faithful since and now that we voted to take a second one on, the Faith Promise Missions giving has increased to take care of two!

We've seen many come to the Saviour and get baptized in the past 3 months between church, the camp, and VBS. We are absolutely thrilled at what God is doing in our ministry here in Guyana! We stand amazed!

Our numbers for Sunday morning are between 100-120; Sunday and Wednesday evening it is between 80-110. When we look back to one year ago to when we started Harbour Light Baptist Church, never would've we thought God would have brought it this far in just one year. We are so blessed! We can't thank you enough for sending us here and praying for us every time we are brought to your hearts! THANK YOU!

**Childrens Home News:** Great news....Chris has asked us to come back into our Home! First, he came by to visit for a day. Soon after he asked to come and stay for 4 or 5 days. In that time he desired to have a heart to heart talk with us. Chris is a great kid....just struggling with family issues. It was just a week after that, when we received a call that he said he prayed and he knows that God needs him to live in our Home. He said it's the only place that he can grow in the Lord the way he knows he needs too. We praise the Lord for Chris...we know God has great plans for him!

**\*\*Don't forget to look at your calendar and plan an individual or a church wide mission trip to Guyana. Whatever your gifts and talents are, God can use them to help in our Ministry somewhere! If interested please contact us asap!**

## Prayer Requests and Praises

**PRAYER REQUESTS:** \*\* For continued church growth, both numerically and spiritually. \*\* For men, ladies and teens to continue to step up to serve and to grow in their own individual lives developing convictions and standards they can live by. \*\*We are trying to get Chris' birth certificate (he was never registered); so that he can come back to States with us on furlough next year. Pray for that. We don't want him to have to live with someone else till we get back. He is like one of our own since we had him in Port Kaituma also. \*\*Our daughter Jessica as she finishes up her summer intern here with us and prepares to head back to college. \*\*Our boys, Kevin and Justin, and their mental and physical health needs.

**PRAISES:** \*\*For all our gracious supporters who support us monthly and for those who give above and beyond. We appreciate you! \*\* For all the wisdom, safety and protection God so graciously supplies!

We want to thank you from the bottom of our hearts! Please know that we love you and are praying for you too! We pray God continues to bless you richly as you also serve Him wherever you are called to be!
